The maze is a white path on a green background. It starts at a speech bubble labeled "スタート" (Start) on the left. The path winds through various obstacles: a tree, a rock, a patch of grass, and a hole. In the center, a large orange Tyrannosaurus Rex with a yellow belly and black stripes is shown with its mouth open, ready to eat. To its right, a red circular area contains a white dinosaur skeleton. Further right, another hole contains a white dinosaur skull. The path ends at a speech bubble labeled "ゴール" (Goal) on the right. A small blue speech bubble at the bottom right says "きけん！" (Danger!).
